Subject **Declaration ECSS**

Dear Jochem Tolsma,

With this letter, the Ethics Committee Social Sciences (ECSS) of Radboud University, Nijmegen, The Netherlands, declares that in accordance with our policy the (re-)use of (publicly) available and/or existing data does not have to be submitted for review to the ECSS.

Therefore, the ECSS has no objection to using data from the OpenAlex, Narcis and Netherlands Research Portal databases and publicly available data collected manually or automatically from sources like university departmental websites, NWO, Meertens Instituut and similar, as proposed in the study **Scientific collaboration networks within Dutch academia**.

Yours sincerely,

Karine Wendrich
Secretary ECSS
